THE CHAPTERS OF YOUR LIFE

App Presentation

**CAN YOU IMAGINE  
HAVING A "NETFLIX"  
WHERE YOU AND  
YOUR FAMILY ARE  
THE PROTAGONISTS  
OF ALL THE MOVIES?**

# WHAT MOVIE DO WE LIVE TODAY?

COOL, PRACTICAL AND SAFE

weglue offers a **completely distinct** experience of building your **PRIVATE** streaming platform.

You can **create** and **watch** the movies about the best moments of your life.

# WE ALL ARE PROTAGONISTS

## A FAMILY SERVICE

Family members and close friends  
can be invited to watch and  
contribute videos and photos.

**weglue is not competitive:**  
no likes, no followers, no views

# FOR PEOPLE WHO DON'T EDIT VIDEOS

weglue is designed for the **vast majority** of users who simply won't do video editing

The user can choose from a library with potentially hundreds of **cool, fully automatic templates**

# LOOK AT THAT AMAZING MOVIE

Thanks to its internal videogame graphical **engine** and **smart-editing** features, weglue creates **professional-looking movies** with all sorts of advanced editing effects in **real-time**

# PRACTICAL, ALMOST INDISPENSABLE

weglue is a **perfect platform** for families to keep videos and photos of their shared moments in an **organised** and **accessible** fashion - leading to retention once users grow their personal collection

# READY TO ROCK THE WORLD

weglue is virtually completed and already **available** for final testing purposes at the App Store and Google Play.

A sophisticated App, fully scalable and ready to transition into **mass-market** commercialisation
